

MOLDOVA BUSINESS WEEK 2025 – Moldova is Open for Business

Dear Sir/Madame,

It is our greatest pleasure to invite you to the 10th edition of **Moldova Business Week**, during 15th -19th of September in Chisinau, Republic of Moldova. The opening event will be held on September 15, starting at 10:00 AM, at the Radisson Blu Leograd Hotel (77 Mitropolit Varlaam Street), Chişinău.

Moldova Business Week represents the premier national economic and networking platform, showcasing the investment climate and fostering networking opportunities. This event is designed to connect you to business opportunities in Moldova through best practices sharing and relevant business matching.

The event, organized by Invest Moldova Agency alongside other public authorities and profile associations, will bring together local and international decision-makers and experts to explore the most promising investment opportunities and solutions for enhancing Moldova's international economic positioning.

This year's agenda is shaped around **four key discussions** that reflect Moldova's strategic priorities:

- The State Aid Scheme for Industrialization;
- The Moldova IT Park — Europe's only virtual IT hub with a single 7% turnover tax;
- Investments in infrastructure and renewable energy;
- Moldova's role in Ukraine's reconstruction.

Meet the people behind the transformation – our investors, exporters, and innovators who are already contributing from Moldova to the global value chains. Take the opportunity to engage with economic leaders, entrepreneurs, and international experts.

Moldova is not just open for business — it's a trusted partner with talent, technology, and the ambition to lead regionally and beyond.

We would appreciate it if you could share this invitation with your network of local and international business communities, encouraging their participation in this important event.

We invite you to participate in the event by registering at **www.mbw.md**.
